CAREER OBJECTIVE

Aspiring Web Developer seeking to contribute to innovative projects by leveraging my expertise in modern Web Technologies. I aim to continuously learn, grow, and deliver impactful solutions that drive organizational success.

PROFESSIONAL EXPERIENCE

Front-End Developer Intern

Tax-O-Smart, Mumbai | Feb 2025 – Present

- Contributed to the development of company websites: taxosmart.com and rjsa.in
 - Participated in multiple team-based web development projects, collaborating with designers and developers to deliver quality features
 - Converted an existing Angular project into a ReactJS application, improving maintainability and performance
 - Developed a TDS Process Web Application to streamline tax workflows
 - Implemented Excel-like functionality using JavaScript for dynamic data entry and export
 - Enhanced UI responsiveness and accessibility across devices using Tailwind CSS
 - Utilized Chrome Dev Tools and other debugging tools to identify and resolve performance issues and enhance code efficiency.
 - Implemented cross Browser compatibility and optimized websites for performance across multiple devices and platforms.
 - Developed and maintained reusable UI components to streamline development process and ensure consistency across projects.
 - Participated in design thinking sessions to gather user requirements and provide technical insights for user interface design.
 - Implemented responsive image loading techniques to optimize website performance and improve user engagement.
 - Developed and maintained documentation for frontend development processes, including coding standards, best practices, and project specifications.
 - Developed responsive and accessible user interfaces for various web and mobile applications using HTML, CSS, JavaScript, and React.
 - Possess excellent communication and collaboration skills, and the ability to effectively communicate technical concepts to both technical and nontechnical audiences.
 - **Technologies Used:** HTML, CSS, JavaScript, ReactJS, Tailwind CSS, Git
-

PROJECTS

1. Doctor Appointment Booking System – doctors-appointment-eta.vercel.app

- Developed a dynamic and user-friendly doctor appointment booking web application where users can:
- View and select from a list of doctors including specialties like Physician, Gynaecology, Dermatology, Neurology
- Choose available time slots and book appointments.

- Receive suggestions on available doctors based on their needs.
- Implemented responsive UI design for seamless user experience across devices.
- Tech Used: ReactJS, Tailwind CSS

2. Talent Flow – Task Management System – talentflow-olive.vercel.app

- Admins can assign tasks to employees and track the task's progress.
- Employees enter their email addresses to receive task notifications.
- Admins can view task status completed, accepted or for each employee.
- Designed an easy-to-use interface for both admin and employee roles, ensuring efficient task tracking and management.
- Tech Used: ReactJS, Tailwind CSS, Local Storage

3. Ochi Design – Interactive Webpage – ochi-design-eipt.vercel.app

- Eye animations that follow the user's cursor movement, providing an engaging user experience.
- Hover effects on app icons, where the app's name pops up one-by-one with smooth animation.
- Designed with mindfulness, focusing on visual appeal and smooth transitions to enhance user interaction.
- Tech Used: ReactJS, TailwindCSS

EDUCATION

BCA – SMT. P.D. Hinduja Trust Institute of Management Studies, Nashik University

HSC – Thakur College of Science and Commerce, Mumbai University

SSC – St. Mary's High School

CERTIFICATION

Front-End Developer Certification – QUASTECH INSTITUTE

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, ReactJS, Tailwind CSS, Bootstrap 5

Backend (Learning): Node.js, Express.js, MongoDB, REST APIs

Tools: Git, GitHub, Vite, REST APIs, JSON

Soft Skills: Problem-solving, Communication, Adaptability, Time Management, Team Collaboration

PERSONAL DETAILS

Father's Name: Khimram Bhati

Address: Shivalik Hermitage CO-OP Housing SOC, Mira Road

Nationality: Indian

Languages: Hindi, English, Marwadi
